### TO WHOM IT MAY CONCERN

Name: Viveshan Govender  
Student Number: GNVNIV009  
Date of Birth: 11 April 1996

I hereby confirm that Viveshan Govender was registered as a student at the University of Cape Town (UCT). Viveshan Govender was registered from 2016 to December 2019 for the qualification of BSc in Engineering in Mechanical Engineering, specialising/majoring in the following:

- 1 Mechanical Engineering

The student has met the requirements for the award of the qualification and is thus able to be employed as a graduate or proceed with further studies.

The qualification will be conferred on and the certificate issued to the student at a graduation ceremony in March 2020. The confer date for the graduation session is the 19 March 2020. The confer date must not be confused with the graduation date. UCT's student record system can only hold one graduation date per season, which means that we use the first date of the session for **all** students and **all** qualifications. The actual date on which a student graduates will differ, and in March ceremonies will take place over a period of 8 days. The roster of graduation ceremonies can be viewed [here](#).

The qualification awarded to the student can be viewed using [Public Access](#). A PDF copy of this letter as well as the student's Academic Record can be retrieved by the student via their secure PeopleSoft Self-Service online access. The PDF copy of this letter can be downloaded by the student via their *View My Communications* link in their secure PeopleSoft Self-Service online access. Within the *View My Communications* link, select the *View* button in the *General* category then select *Details* for the *Proof of Qualification* communication.

**If students have fees outstanding, they will not be able to access their academic record or graduate in March, they must liaise with the Fees Office to settle outstanding fees.**

Please contact the Student Records Office if you require further information.

Yours sincerely
